Throughset

AUTOMATION

One field. Three writers.

A mid-sized B2B company with years of automation.

Throughset

HOW WE WORK

One field. One owner.

1

Map it

Every automation that writes the field

2

Find the overlap

Where two or more collide

3

Decide one owner

One writer for each field

4

Change safely

Retire the rest in tested steps

Several writers, now one

FROM OUR CLIENT WORK

ONE OWNER

OLD AUTOMATION RETIRED

CHANGES YOU CAN PREDICT

Throughset

TRY IT THIS WEEK

Check your fields.

Pick a field people argue about. List everything that writes it.
