Throughset

INTEGRATIONS

Same data. Two routes.

A mid-sized B2B company with systems layered over the years.

Throughset

HOW WE WORK

One flow. Fewer failures.

1

Map it

Draw how the data moves

2

Find the overlap

Where two designs move the same data

3

Decide one owner

Pick one design

4

Change safely

Retire the other in tested steps

Fewer integration failures

FROM OUR CLIENT WORK

ONE DESIGN

A FLOW YOU CAN DRAW

JOBS YOU CAN TRACE

Throughset

TRY IT THIS WEEK

Check your integrations.

Pick two systems. Draw how data moves between them.

More than one route for the same data? Pick one.

THE ORG REVIEW

We untangle the links between your systems

$3,500

USD, FROM, FIXED FEE

- Agreed before work starts
- You keep the findings either way
