REPORTS

Two reports. Two answers.

Same company. Same quarter.

SALES REPORT

Closed deals, last quarter

412

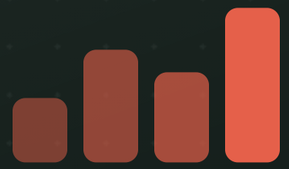

≠

FINANCE REPORT

Closed deals, last quarter

398

Which number is right? Nobody can say.

A mid-sized B2B company that kept its own copy of the numbers.

HOW WE WORK

One truth. One number.

1

Map it

Where each number comes from

2

Find the overlap

Where two copies disagree

3

Decide one owner

One source of truth per record type

4

Change safely

Point every report at it

Sales and finance reports finally agreed

FROM OUR CLIENT WORK

ONE SOURCE OF TRUTH

NO PRIVATE SPREADSHEETS

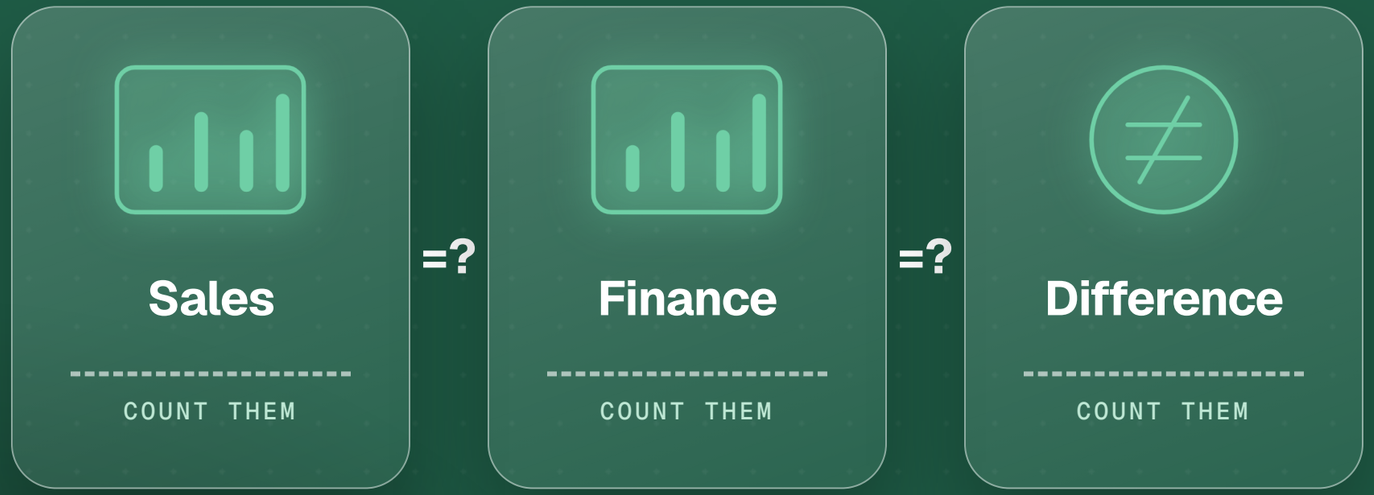

NUMBERS THAT MATCH

Throughset

TRY IT THIS WEEK

Check your reports.

Ask sales and finance for the closed deals last quarter.

Different numbers? Find the copy people trust.

THE ORG REVIEW

We make your reports agree

$3,500

USD, FROM, FIXED FEE

- Agreed before work starts
- You keep the findings either way
